

Newport Convent Primary School Parents Association 2024/25

Secretary Report

Fundraising Events

Clothes Collection:

The clothes collections have proved very successful in the past, in the last academic year we held one in February Cash4Clothes and collected €86.

Halloween Disco:

This was a new fundraising event in 2023 which proved very successful. We teamed up with the Newport Boys School PA and held two discos. We divided the costs and income between the two schools. The net amount of money brought in for both discos was €415 each.

Annual Easter Draw

The Easter draw was a great success yielding a huge return of €3067. The draw depends on the whole committee to secure donations, arrange, and sell tickets and prepare hampers and prizes for the day. Importantly, this fundraiser and its success reflects the enormous support of local businesses and parents in the school who generously donated prizes. As a result it provides a healthy balance to the PA account for the coming year.

Church Gate Collection

In April we held the annual church gate collection which earned €282.87, again a generous offering from the wider parish in support of the PA.

Educational Activities & Resources Funded by the PA

Gymnastics

All classes had a Gymnastics lesson over two days in January.
Cost : € 790

Goal Posts:

Cost: €507.99

Sensory Trial:

Cost: €1445.99

Gym Equipment:

The school invested in Landing mats for PE classes.
Cost: €1582.84

Other Events

6th class Hoodies

PA part funded hoodies for 6th class as has been done in the past few years, this is a great memento to those students as they finish their time in the school.

Cost € 450

Ice Cream Van visiting the school to mark the end of the year

Newport Convent Primary School Parents Association 2024/25

Cost €400

A summary of the range of past activities supported by PA
